RECEIVED 12/21/2012

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 5 item(s):

1. Your amended report discloses an increase in receipts totaling \$461,631.83 on Line(s) 11(a)(i) of the Detailed Summary Page from those disclosed on your original report. Please provide clarifying information as to why this activity was not disclosed on your original report. (11 CFR § 104.3)
2. Schedule A of your report discloses aggregate year-to-date total(s) for some contribution(s) (see attached) which appear to be incorrect. Please amend your report to provide the correct aggregate year-to-date totals. Please note that this problem frequently occurs when the contributor name is entered in the committee's electronic reporting database more than once using a different spelling and/or format. This prevents the database from properly aggregating contributions from the same individual or entity. Ensuring that the name of each contributor is entered into the database only once would help avoid year-to-date errors. When reporting contributions from political action committees, using the contributor's FEC identification number will help prevent duplicate entries. (11 CFR § 104.3(a)(2))
3. Schedule B supporting Line 21(b) discloses \$210.42 in activity identified as MEMO entries that do not appear to correspond with any itemized transaction(s). Please be advised, a memo entry is used to disclose additional information about an itemized transaction and the amount of a memo entry is not included in the total receipts or disbursements for the report. Please amend
